

SKALA

Aluminium Door & Window Accessories

2019

Alaks Aluminium Co is leading Aluminium Accessories manufacturer company based in Turkey. Since 1999 our firm has been exporting products to several countries.

Furthermore, all of the products are manufactured by the usage of high and advanced technology.

Our object is to be a leading company in this industry by providing inovative systems and superior quality.

Thanks to our workers dynamic and inovative way of manufacturing of high quality aluminium, we became one of the most demanding markets.

Our company shares strategies to partners for bringing superior products with rapid and efficient services.

More importantly we achieve to provide customer satisfaction.
